BRIEF ABSTRACT OF LETTER.

R Forwards letter No. 6570/Rys. 02. 3694 & 10. 3. 16, from the Comptroller, P.W. and Ry Branch, enquiring with reference to G.O. No. 3043-5 Edn. 19-15-37 & 4. 1. 1916, if the charges in connection with the Telegraphic Signallers' Class should be considered as one of the Railway Deptt and whether the balance of provision therefor in the Edn. Budget is to be taken under "30 - A. Mis: Ry Expn." and the charges allocated under that heath, and also requesting to furnish the details for the recurring charge of Rs 1,000 per year, sanctioned in G.O. No. 50-S/Edn. 914-13-17, dated 2nd July 1914.

NOTES AND ORDERS.

The Secretary to Govt for Rys is of the opinion that the suggestion of the Comptroller may be approved.

S 2. The details for the lump sum provision of Rs 1,000 asked for are not available in the connected file (Edn. 194-13-17). It is also however doubtful if the sum of Rs 833⅓ provided for school masters' pay. This is the only detail available. Mr I G may perhaps be enquired

4 The comptroller wants to know if the charges in connection with the Telegraphic Signallers' class are to be of the Rly Depts or of the civil Depts. only operated upon by the Rly Depts. From the previous correspondence on the subject it appears that the Rly Depts wanted to take over the whole control of the institution and the Rly. E has agreed to the proposal. It looks as if the last G.O. intended such a transfer. The present Rly Secy also seems to be of that opinion as by his endorsing the suggestion of the Comptroller as regards the treatment of funds. (A).

5 As regards the details of the recurring charges of 1000/-, they are to be ascertained from the Depts. ~~Appear~~ It is based on a provision of Rs 83/3 made in the original Scheme for the teaching Staff.
